All rights are reserved. No part of this thesis may be reproduced or transmitted in any form or by any means without permission of the author or the publishers of the included scientific papers.

Cover illustration by Reinout A. Bem: a commonly used metaphor for 'apoptosis' (derived from ancient Greek apó meaning away or from, and ptosis meaning falling down) is the seasonal event of leaves falling down from trees.
Lay-out by Chris Bor, Amsterdam.
Printed by GVO drukkers en vormgevers BV, Ede.

Work in this thesis was supported in part by the Jan Dekker Stichting and dr. Ludgardine Bouwman fonds, VSB fonds, Ars Donandi, Dr. Hendrik Muller's Vaderlandsch fonds, U.S. National Heart, Lung, and Blood Institute, Medical Research Service U.S. Department of Veteran Affairs and the American Lung Association.
