Chapter 2: The role of information in a child's development 45
Central question 45
Different approaches 45
Stages of development 48
Prenatal development and birth 50
Birth 51
Implications 52
Infancy 52
Physical development 53
Emotional development 53
Cognitive development 54
Social development 54
Implications 55
Early childhood 56
Physical development 56
Emotional development 56
Cognitive development 56
Social development 57
Implications 58

Later childhood 58
Physical development 58
Emotional development 59
Cognitive development 59
Social development 60
Implications 61
Adolescence 61
Physical development 61
Emotional development 61
Cognitive development 62
Social development 62
Implications 63
Growing up with information 63
Information as energy and nutrition 64
The development of personality and social participation 66
Authentic human being 70
Conclusion 73

Chapter 3: The information process 74
Central question 74
Environments of information 75
Concepts of information and communication 76
Information and communication interrelated 76
Development of concepts 80
Change of paradigm 82
Information seeking 83
In the case of children 85
Types of communication 86
Approaches 86
Intrapersonal communication 87
Concept 89
Information seeking 90
Developmental aspects 92
Sources 93
Effects 94
Interpersonal communication 95
Concept 95
