## **Contents**

7	In	troduction	
7		The relevance of chimpanzee research	
9		History of the research project	
10		Outline of the thesis	
13	1	The Study Region and a Brief History of the Bili Project	
53	2	Reactions of Chimpanzees to Humans in Relation to Their Distance from Roads and Villages	
73	3	Chimpanzees ( <i>Pan troglodytes schweinfurthii</i> ) in the Northern Democratic Republic of the Congo Adapt their Long-Distance Communication Behavior to Human Hunting Pressure	
93	4	Morphology, Distribution, Nesting, and Diet of the Bili Apes	
94		Section 1: What exactly are the Bili apes?	
96		Section 2: Distribution and density	
109		Section 3: Tree-nesting behavior	
122		Section 4: Feeding habits	
139		Section 5: Acknowledgements, references, appendices	
151	5	A Chimpanzee Mega-Culture? Behavioral Continuity Across the Northern Democratic Republic of the Congo	
156		Section 1: Introduction	
184		Section 2: Ground nests and leaf cushions	
212		Section 3: Smash sites	
235		Section 4: Other traditions?	
<ul><li>241</li><li>255</li></ul>		Section 5: How far does the proposed northern DRC Mega-Culture extend? Section 6: Acknowledgements, references, appendices	
269	6	Trade in Orphans and Bushmeat Threatens One of The Democratic Republic of the Congo's Most Important Populations of Eastern Chimpanzees (Pan troglodytes schweinfurthii)  Originally published in African Primates 7(1): 1-18 (2010)	
287	7	Summary and Conclusion – What Have We Learned from the Bili-Uele Chimpanzees? And What Will Become of Them?	
295	Sa	amenvatting	
297	A	Acknowledgements
